## **KRIJMA – LEADERSHIP**

Having the qualification of MBA in Finance and degree in Electrical Engineering from the Institute of Engineers (India) and further to my job exposure of more than 20 years with specialization in Electrical Engineering, HVAC, Project & Facility Management Services, I started my dream entrepreneurship in January 2009 by the name of “**Krijma Engineers Pvt. Ltd.**” During my job tenure, I enjoyed and performed well all my responsibilities as Manager, General Manager, Vice-President in different companies like Vatika Group, Paras Group, Ooms Group & Universal Group, etc. I always believe in delivering the best to the customers/clients at all times.

We as a team at Krijma, do constant endeavour to improve and to reach to the height of excellence and we also understand the values of participation, support and direction of our esteemed clients. We believe that self-reliance with a flexible approach play key role in success of an organization. Every aspect of Company's functioning points towards total customer satisfaction.

The business philosophy of the group – **Economy, Excellence & Ethics**, focuses on quality of work, timely delivery, cost consciousness, customers satisfaction with due business ethics.

A highly skilled, highly professional team of experts is managing all our projects, with the objective that our commitments to our customers and partners are maximized further. On sustaining a high spirit charged with endless possibilities we always provide and deliver our customers, an excellent product at an unmatched value for money.

We are committed to build an organization made up of the finest professionals with due support of our esteemed customers, clients and associates.

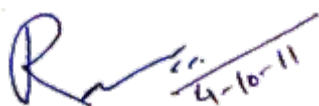

**Jawahar Singh Pahal**  
**(Director)**

## **BLESSINGS OF MY MENTOR**

Mr. Jawahar Pahal served the Universal Group as a Vice-President - Projects for about 5 years time, the longest tenure of his service with any company.

Now, at his own will, he is stepping out to be an Entrepreneur himself. In fact, with my knowledge and permission, he has already begun doing business since last 2 years. Now that he is planning to do his business full time, I wish him all the success in his venture, "KRIJMA ENGINEERS PVT. LTD."

My blessings shall always be with him.

**Sh. Raman Puri**  
(Managing Director)  
Universal Group

## **KRIJMA - INTRODUCTION**

KRIJMA is the optimum amalgamation of People, Experience, and Professionalism (PEP) to give life to your imagination. It is a worthy name in the field of engineering to provide wide solutions under one roof related to Civil, Electrical and Mechanical services. We at KRIJMA work as professionals, contractors and service providers offering project management, facility management and execution of Civil, Electrical & Mechanical Projects. The company can accommodate a single-phase project or deliver a complete turnkey job.

We offer our services individually or integrated to provide “Comprehensive solutions to your needs like **Electrical works of HT/LT installations, Fire Detection, Access Control, CCTV, Data Networking, Mechanical works like HVAC Ducting, Piping, Fire Fighting, etc...** and also **Civil/Interior works like PCC Flooring, Wooden Partition, Ceiling, Furniture, etc.** We also extend our services of PMC to interior projects & facility management solutions to operate residential/commercial buildings.

## **KRIJMA - MISSION**

“To set the standard & services by involving the best global practices with a focus on unmatched quality and on time completion of projects in an economical way with the ultimate goal of customer satisfaction.”

## **KRIJMA - VISION**

“To expand our services globally”.

We are committed to provide high standards of quality in the execution of our projects with complete customer satisfaction.

## **KRIJMA - VALUES**

3 E's i.e. Economy, Excellence and Ethics are the basic values of KRIJMA that is to be understood the value of money, quality, time and transparency in all our dealings with our esteemed clients/customers/vendors. Our USP is to accomplish the work within time frame along with its fullest quality.

## **KRIJMA – BUSINESS POLICY**

To achieve specific deadlines & budgets we put our best efforts each and every time. We believe in the policy of transparency, fair & honest approach and long term vision. We have been rewarded for our quality and commitment by way of getting repeated orders.

We always undertake in account the time frame given by our valuable clients and we do strict observance of time schedules equipped by our planning team.

## **KRIJMA - QUALITY**

Every aspect of Company's functioning points towards total customer satisfaction.

We also believe in staying close to the clients & assisting them in completely utilizing their resources.

We believe in increasing productivity, optimizing the resources sharing, identifying & planning the information technology needs.

Following are our few associates who are intimately attached with us:

- **Bhaskar Mukherjee & Associates**
- **Desarc Consultancy Services**
- **ABL Hospitech Pvt. Ltd.**
- **Design Forum International (DFI)**
- **Renaissance Arch Consultants (P) Ltd.**
- **Studio One consultant**
- **Sunil Nayar & Consultants**
- **T.S. Sethi & Associates**
- **Electro Consultants**

## **KRIJMA – EXPERTISE**

### **A) Electrical Engineering:**

For industrial, residential and commercial customers, we are able to design & execute the electrical jobs like distribution of power supply, lighting installations, together with statutory requirements such as emergency lighting and fire alarm systems. We can also advise on energy conservation, "getting the best" out of your electrical services. We work alongside your builders and other contractors, and ensure any work is carried out with the minimum of disruption.

We are specialized in providing & execution of Electrical Installations. viz. H.T. Works, L.T. Works, Earthing and Lightning Protection etc.

**HT Works:** We provide supply, installation, testing & commissioning for 11 KV power including laying of underground & over head lines.

**LT Works:** We provide supply, installation, testing & commissioning for LT work i.e. laying of cables, installation of Panel Boards, supply & fixing of lighting fixtures, completion of Conduiting, wiring & lighting fixtures in any kind of interior job.

**Data Networking:** We provide complete solutions on data networking, telephone cabling, conduiting, EPBAX & server/UPS installation, etc.

**Access Control System/Video Door Phone System:** We provide a reliable and long lasting solution on access control system/video door phone as per client's requirement.

**CCTV/Fire Detection:** To enhance security level and in depth supervision, we provide CCTV/Fire Detection solutions to our customers.

## **B) Mechanical Engineering:**

Piping/Fire fighting: Fabrication & Erection of MS/ GI piping, fire fighting of interior jobs including below false ceiling & above false ceiling fire sprinklers, butterfly valves and water flow switches.

**HVAC Ducting:** Supply/fabrication & installation of HVAC ducting, diffusers, Volume control dampers, fire control dampers etc.

**Fire Alarm/Smoke Detection System:** To provide a complete solutions on fire alarm/smoke detection system including its cabling, conduting, addreasable/conventional fire panel, heat/smoke detectors, hooters, manual call points, etc. as per statutory requirements & NBC norms.

*Annual Maintenance Jobs for Industrial, Residential & Commercial Buildings including Air conditioning installations.*

## **C) Civil/Interior Engineering:**

**Earth Works:** Excavation and levelling of land using machinery.

**Site Development Works:** Providing side boundary walls and fencing. Back filling and levelling of area by using sand and laying PCC, RCC with required shuttering as per requirement

**Building Construction Works:** RCC/PCC, Reinforcement, Shuttering, Brick work, Plaster internal, external, interior job, IPS finish & landscaping etc.

**Interior Design Works:** We provide complete solution related to interior design and execution work as per clients specifications.

## **D) Project Management:**

The KRIJMA team is comprised of full-time Project Executives and Managers who interact to solve problems. Our staffs comes from a variety of backgrounds and has extensive experience in general contracting, architecture, design, interior execution, system engineering, furniture relocation, project services and facility management of the buildings. We ensure a professional project management, leading to completion of projects with economy, excellence and even ahead of schedule.

In the scope of Project Management Consultancy, we provide following services to our esteemed clients:

### **i) Pre-construction Management**

- Coordination with consultants and contractors to review of the tender documents and setting out the conditions of the contract.
- Co-ordination during receiving the bids and sending out the queries on the tender submitted by the contractors.
- To assist the management on final award of the contracts.
- Layout the procedures for issue of the material and re-conciliation of the client issued material.
- To set up procedures for the measurement of executed works and progress reporting to the owner.

## **ii) Construction Management**

- Contracts compliance and administration.
- Quality Audit.
- Reporting and monitoring of monthly activities to the management/ owner.
- Reconciliation of the issued materials in coordination with client engineers.
- Review meetings with contractors/ consultants/ architects.
- Evaluation of executed works and contractor's bill auditing for payment.

## **iii) Construction Management**

- Defect Rectification and commercial closing of the project.
- Final Bill Certification.
- Resolve the settlement claim, if any, during construction and post construction.

## **E. Facility Management:**

In the scope of facility management, we at Krijma focus on providing CUSTOMISED SOLUTIONS. We provide following services to our esteemed clients:

### **i) Operation & Maintenance:**

- To take care of routine operation, break down and maintenance of building, Engineering staff like Supervisors/ Technicians are deployed for the services like DG set Operation, Air conditioning Operation and Plumbing & Fire-fighting Operations.

### **ii) General Administration & Housekeeping:**

- To maintain a healthy relation in between the lessor and lessee of the building, we deploy the facility manager to make day to day interaction on all the issues related to facilities. He also takes care of up keeping of building premises as neat & clean with the help of housekeeping team.

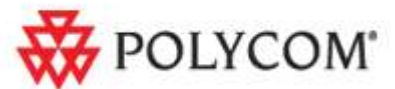

### **iii) Energy/ Maintenance Billing:**

- Keeping in mind the variations in input cost like variation in diesel prices/labour cost, we evaluate the variation in maintenance charges and accordingly owner is advised for new charges.

### **iv) Optimization:**

- To maintain the principle of Economy, Excellence and Ethics, we do the auditing of Equipments/ Building Systems for its efficient utilization. It consists of audit of energy consumption, scheduling of equipments & men power for effective use.
